**Sub: Absorption of medically decategorised employees-
redeployment of staff in alternative employment on priority.**

During the Performance Review Meeting of CRB with General Managers and PCPOs held on 10.07.2021 it has been observed from the data furnished by the Zonal Railways that a large number of medically decategorised staff were waiting for absorption in alternative posts. It was pointed out that there is significant financial implication if staff who is medically decategorised but is not re-deployed quickly in alternative employment.

Zonal Railways/PUs are requested to look into the matter and take immediate steps to ensure that the medically decategorised staff are re-deployed in alternative posts expeditiously.
